

## CamGraba 2.0 License

ZAVIO CamGraba 2.0 now the software license (16 digits) to activate. The software license will be attached to QIG in giftbox before 2018; since 2018, please check the CE label on camera body, then send model name and SN or MAC address to [techsupport@zavio.com](mailto:techsupport@zavio.com) for software license.

### How to activate the license(s)

**Step 1:** When enter Mainconsole first time, License Management Tool will pop-up immediately for activating SN.

**Step 2:** Insert the SN to activate license.

**Step 3:** After software license is activated successfully, please restart Main Console.
